**Use-Case Name:** Confirmation of Common Schedule

**Description:** The group can confirm their common schedule for a certain activity/event. This requires the Link Schedule functionality of the system. An automatic notification (notify group) will be queued shortly.

**Preconditions:** All the schedules should be linked together first.

**Flow of Events:**

<i>Scenario Name</i>	<i>Description</i>
Scenario 1 (Basic Flow) Group Members have finally decided on the scheduled and everyone's schedule is free in that time interval.	<ol style="list-style-type: none"><li>1. Each member double-checks the intersection of schedules.</li><li>2. Each member confirms through the system.</li><li>3. Everyone has confirmed their schedule.</li><li>4. A notification is sent to every group member for the finalization of the schedule.</li><li>5. Everyone finalizes the schedule.</li><li>6. The schedules are confirmed.</li></ol>
Scenario 2 Some of the Group Members is free on that time interval while the others are not.	<ol style="list-style-type: none"><li>1. Each member double-checks the intersection of schedules.</li><li>2. Each member available will confirm availability will confirm "Available" in the system. Otherwise, the member will confirm "Unavailable" in the system.</li><li>3. Everyone has confirmed their schedule.</li><li>4. A notification is sent to every group member for the finalization of the schedule.</li><li>5. Everyone finalizes the schedule.</li><li>6. The schedules are confirmed.</li></ol>
Scenario 3 Some of the group members have confirmed yet needs to change their availability status.	<ol style="list-style-type: none"><li>1. Each member double-checks the intersection of schedules.</li><li>2. Each member confirms through the system.</li><li>3. Everyone has confirmed their schedule.</li><li>4. A notification is sent to every group member for the finalization of the schedule.</li><li>5. A member changes his/her availability.</li><li>6. A notification is sent to every group member for the finalization of the schedule.</li><li>7. Everyone finalizes the schedule.</li><li>8. The schedules are confirmed.</li></ol>
